Golden Straw in color, our German Style Blonde Lager is brewed with all German ingredients. DADDY FAT SACKS IPA

ABV: 6%

Pale Orange in color with aromas of tropical fruit, stone fruit, grapefruit and citrus. Four specialty malts in subtle additions leave the ale with a slight toasty caramel flavor. Five different hop additions impart just enough bitterness without the astringent and bitter aftertaste. A mix of American flavor hops round out the floral and citrus esters. Large sacks of dank hops are then added to the conditioning vessel and aged several days to impart all the wonderful peach, citrus and floral aroma's deep into the beer.

SOUR HOUND ALE

ABV: 5%

Light brown with reddish hues and aromas of dried fruit, apple, tea, cola and toasted oak. The layering of German specialty malts relinquish flavors that include cherry walnut, caramel and chocolate. Aged hops added in the boil protect the beer and add a tea like earthiness. Flaked oats provide a creamy thickness and toasted oak chips give it a charred woody profile to round out the finish. The unique souring process during the brew provides a refreshing tartness that intertwines nicely with the oak and malt flavors.

LAYDOWN STAY DOWN

RELEASED IN DECEMBER | ABV: 9%

This Belgian Strong Ale is dark amber with purple hues and is brewed with complex malts for flavor and color, and simple sugars for alcohol and sweetness. The strongest beer we have created thus far, the LSD starts with spicy and floral hop aromas and toasted plum from the malt and yeast. The sweetness of the beer from the malt and Belgian candi sugar balance the bitterness of the hops and esters from the yeast nicely. Keep warm with this fireside sipper.

LUDWIG'S REVENGE LAGER

ABV: 5%

Our Dark German Lager is dark brown to black in color and is made with all German ingredients. Aromas ignite the senses with bacon, ham, smoked hickory and roasted nuts. Our most intriguing beer hails all of it's ingredients from Bamberg, Germany, which is where the style was born. The light addition of Beechwood smoked malt imparts a light smoky aroma and taste. The pilsner and roasted malts add a balanced coffee flavor and sweetness and are used to balance the dryness of this lager. The best beer on the menu for beer/culinary creations and experiences.
